Pre-registration for the 3 one day safaris is essential, once access is confirmed from all land-owners.

I’m currently working with several land-owners to gain access to high country stations not normally open to the public. For the privilege of having this access, a nominal \$20 contribution per vehicle per day will be asked as a donation to Wanaka Search & Rescue. (So, if you do all 3 Safari’s = \$60 per vehicle).

At land-owner request, numbers will be limited for each Safari - More information will be available asap.

Preference may also be given to those older Series Land Rovers, so please register with me asap.

ACCOMMODATION:

There's a very wide range of accommodation available in the greater Wanaka area, but bookings are very heavy at peak times such as Easter, and I recommend you make reservations asap.

Two specific options are available for those of our Land Rover Owners group who wish to camp.
